## National Anthem

O Canada! Our home and native land!  
True patriot love in all thy sons command.  
With glowing hearts we see thee rise,  
The True North strong and free!  
From far and wide, O Canada,  
We stand on guard for thee.  
God keep our land glorious and free!  
O Canada, we stand on guard for thee,  
O Canada, we stand on guard for thee.

## Hymne National

O Canada! Terre de nos aieux,  
Ton front est ceint de fleurons glorieux!  
Car ton bras sait porter l' épée,  
Il sait porter la croix!  
Ton histoire est une épopée  
Des plus brillants exploits.  
Et ta valeur, de foi trempée,  
Protégera nos foyers et nos droits,  
Protégera nos foyers et nos droits.

## Royal Anthem

God save our gracious Queen  
Long live our noble Queen  
God save the Queen.

Send her victorious  
Happy and glorious  
Long to reign over us  
God save the Queen.

## **The Presentation**

The Dean of the Faculty of Graduate Studies and Research asks the candidates for degrees to rise, and presents them with these words:

"Eminent Chancellor and President, on behalf of the Faculties, I present to you these scholars and ask that they be pledged and admitted to the degrees to which they are entitled."

## **The Pledge**

The President then addresses the candidates in these words:

"Do you promise faithfully to observe and loyally to maintain the statutes, customs, privileges and liberties of this, your University? Do you solemnly promise to conduct yourself in all things loyally and faithfully to the honor of your University, the encouragement of learning and the good of your country?"

Each candidate replies:

"These things I pledge myself to do."

## **The Admission**

The Chancellor then addresses the candidates in these words:

"By virtue of the authority vested in me by the Legislature of this Province, and with the consent of this University, I admit you to the degrees to which you are entitled, and invest you with all the powers, rights and privileges pertaining to such degrees, and I charge you to use them for the Glory of God and the honor of your country."

## Honorary Degree Recipient

---

Professor Gordon Peacock was the founding Chair of the University's Drama Department in 1964, the first department of its kind in Canada. He joined the University's Drama Division in 1953 and two years later became Division Head and Artistic Director of Studio Theatre. Professor Peacock also established the degree of Bachelor of Fine Arts in Acting and Directing in 1966, the Master of Fine Arts in Directing in 1968 and the Master's degree in Playwriting a year later.

Professor Peacock has been associated with the Banff School of Fine Arts for a number of years, first as Chair of the Theatre Division and later as guest instructor in Aesthetics and History. He has directed more than thirty major productions throughout Canada and the United States and has designed sets for more than twelve.

Professor Peacock is currently the Frank C Erwin Centennial Professor of Drama at the University of Texas, a position he has held since 1985. Since 1987, he has also been an adjunct Professor of Speech and Theatre at the University of Tennessee.

The Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of the honorary degree to Gordon Peacock:

Thomas D'Urfey's *A Common-Wealth of Women*. A play: as it is acted at the Theatre Royal, by their Majesties Servants. London, printed for R. Bentley, 1686.

Based on John Fletcher's *The Sea Voyage*, with many alterations, plus borrowings from Shakespeare, this little-known English comedy involves a group of marooned women on an island who each choose a 'husband for the month' from some newly rescued travellers. D'Urfey, a still neglected writer, was one of several Restoration dramatists who looked back to the Elizabethans for inspiration while anticipating the sentimentalism of 18th c. drama. His vivacious, bustling comedies held the stage for 60 years, and are being rediscovered by scholars today.

## Congratulations from the Faculty and Staff

---

Universities began as small collections of scholars who worked together to preserve and advance knowledge. Students came to study with them and, in due course, an administrative structure arose to provide system and recognition for those studies. This ancient structure is preserved at the University of Alberta, with the Faculty and the Students providing the core of the University's purpose: teaching and the advancement of knowledge. The Faculty's task is facilitated by their colleagues in the Academic Staff, the Faculty Service Officers, the Administrative Professional Officers and the Librarians, and the University's dedicated Support Staff.

The Faculty, numbering some 1600, is responsible for creating programs of study, for teaching and for evaluating the learning of the student body, both undergraduate and graduate. In addition, Faculty members are responsible for the scholarly reputation of the University by preserving and sharing knowledge and by pursuing new ideas and knowledge through their research.

The Faculty and Staff congratulate you, the graduands, on the successful completion of your present studies which is recognized by the degrees to which you are admitted today. Your achievement deserves praise. We hope your

present knowledge provides a sound base for an education which will continue throughout a rewarding life.

We would remind you of the advice given to graduands by Honorary Degree Recipient, Dr Tommy Banks, "Try to be a good person. You will be amazed how rewarding it is."

## University Mace

---

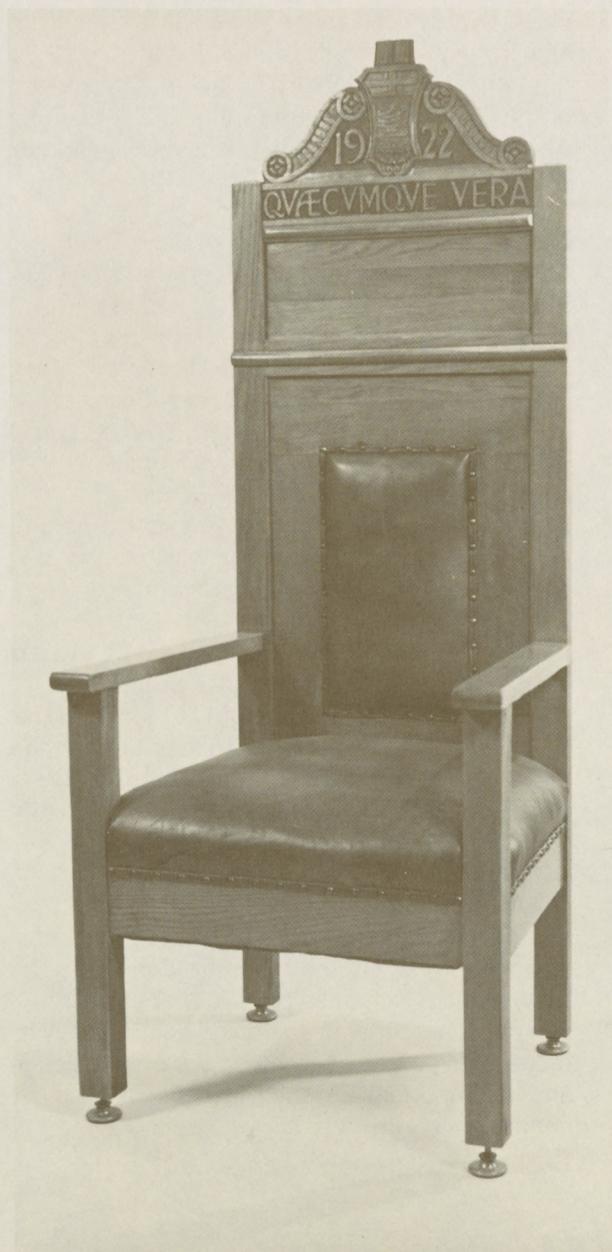

The University of Alberta Mace was designed and crafted specifically for the University as a gift from Dr Francis Phillip Galbraith, Chancellor of the University of Alberta from 1964 - 1970. It was presented by his son, Michael Galbraith, on behalf of his father on May 26, 1970.

Among its elements: the Star of Saint Thomas Aquinas, the Patron Saint of Scholars; the Wild Rose of Alberta; the Maple Leaf, and the separate charges which make up the University's Coat of Arms. The University motto, "Quaecumque Vera" ("whatsoever things are true" Phil 4:8) encircles the staff. The Mace is made of sterling silver which was rhodium plated after the insertion of the various enamelled shields which make up its elements. A special electro-plate process was used to apply 24 karat gold to other parts of the Mace.

It was intended that the Mace should be modern in appearance but with medieval origins. The preponderance of visual weight at the top of the staff and the rather complex section through the metalwork at this point are reminiscent of the use of the Mace as a weapon, defensive or aggressive.

The Mace is carried before the Chancellor, or Vice-Chancellor, in procession and rests on its stand in full view of the assembly during Convocation. Centuries ago the Mace was a symbol of authority over life and death. Today it represents power—but the power of knowledge and the importance of the University in the community.

## University Ceremonial Chairs

The Chancellor's Chair was presented to the University of Alberta as a gift from the 1922 graduating class. It is made of solid oak with a padded leather back and seat. Above the padded leather back is carved the University motto "Quaecumque Vera" together with the class year, 1922, and the University coat-of-arms.

In 1987, the family and friends of Dr Charles Malcolm Macleod, Chairman of the Board of Governors from 1950 to 1966, presented a memorial gift to the University of an oak stand for the University of Alberta Mace and two additional chairs for use by the President and the Chairman of the Board of Governors at Convocation.

# Academic Dress

---

Academic dress at the University of Alberta conforms to the customary Cambridge shape (a gown of black material falling below the knee with full sleeves cut to the elbow and terminating in a point). Hoods are of the Oxford pattern of spruce green material with a border for bachelors, and a full lining for masters and doctors of medicine and dental surgery, of the colour distinctive of the faculty.

Agriculture and Forestry	Pale Blue
Arts	White
Business	Silver Gray
Dentistry	Maroon
Education	Royal Blue
Engineering	Light Green
Home Economics	Burgundy/ Pink Trim
Law	Scarlet
Library & Information Studies	Lemon
Medicine	Crimson
Nursing	Crimson/ White Trim
Pharmacy and Pharmaceutical Sciences	Cinnamon
Physical Education and Recreation	Royal Blue/ Gold Trim

Doctors' gowns (PhD, EdD, DMus) conform to the Intercollegiate Code in shape, size and colour, with velvet trim on the sleeves in either Philosophy blue for the PhD, or Education light blue for the EdD on a black gown. Doctors of Laws wear a full-dress scarlet robe faced with white silk.

Doctors' hoods are of black material to match the gown, and a full lining is of gold satin with a six-inch green satin chevron. The velvet trim distinguishes the two degrees and matches the velvet trim on the gown.

Honorary degree hoods (LLD, DLitt and DSc) are of scarlet in the Cambridge form and have a full lining of white silk.

The President of the University wears a green gown faced with gold braid trim and lining and a green cap with a gold tassel. The Chancellor and Chancellors Emeriti wear gowns of teal blue with silver trim and velvet caps with silver tassels. The gowns of the senior officials bear an embroidered crest of the University.

University Governors and Senators wear stoles bearing the crest of the University over their gowns; gold-faced for Governors and green-faced for Senators. The University Registrar wears a green gown with gold trim on the sleeves.

## An Invitation to the Graduates

The University of Alberta Alumni Association welcomes you to the University's world-wide alumni family and invites you to participate in the Association's programs and services.

The Alumni Association was formed in 1915 to promote the interests of the University and its graduates. The Association has an office located in Athabasca Hall on campus, and branches exist in many Canadian centres and in a variety of locations abroad. In addition, constituent societies promote the special interests of graduates in a number of professions.

The Alumni branches around the globe provide welcome social and career contacts to the graduate moving to a new area, and new branches are being formed all the time. If there is a branch in the city where you will be establishing roots, be sure to contact the representative listed below. If there is not, contact the Office of Alumni Affairs to see if there are plans for one. You might like to help get it started.

For further information about the Alumni Association, contact the office of Alumni Affairs. The Association welcomes your participation and encourages you to take advantage of the many benefits available to alumni.
